Using the Washing Machine at Home

Gather up my dirty clothes

Sort my clothes into different loads

Take my dirty clothes to the laundry room

Put one load of laundry into the washing machine

Put in the laundry detergent

Pick my wash settings

Press start

Go back after 30 minutes to put my clothes in the dryer

Repeat process until all loads of laundry have been washed
Using the Dryer at Home

1. Take my clothes from the washing machine and put in the dryer.
2. Take out any clothes that are “Hang Dry” only.
3. Add a dryer sheet to the dryer.
4. Close the door.
5. Clear the lint filter.
6. Pick my dry settings.
7. Press start.
8. Come back to the dryer after 60 minutes.
9. Put clothes into my laundry basket and take to my room.
10. Fold and put away clean clothes.

Repeat process until all loads of laundry have been dried and put away.
