Using the Washing Machine in a Shared Laundry Room

1. Gather up my dirty clothes
2. Sort my clothes into different loads and put into a laundry bag or basket
3. Gather up my money to pay for laundry
4. Take my dirty clothes to the laundry room
5. Put one load of laundry into the washing machine
6. Put in the laundry detergent
7. Add money to the washing machine
8. Pick my wash settings
9. Press start
10. Repeat steps 5 – 9 for each load of laundry
Go back after 30 minutes to put my clothes in the dryer
Using a Dryer in a Shared Laundry Room

- Take my clothes from the washing machine and put in the dryer
- Take out any clothes that are "Hang Dry" only
- Add a dryer sheet to the dryer
- Close the door
- Add money to the dryer
- Pick my dry settings
- Press start
- Repeat these steps for each load of laundry
- Come back to the dryer after 60 minutes
- Put my clothes into my laundry bag/basket to take home
- Fold and put away clean clothes when I get home
